

## **G. Anthony Howard B.A.**

President & CEO, CanaRx Services Inc.

---

Mr. G. Anthony Howard is a graduate of the University of Windsor in Ontario, Canada. Mr. Howard, a successful Executive with Chrysler Canada, decided to make a career change and joined the Health Care Industry in 1980.

As a founding principle of Tenax and co-founder of the Gulliver Group (later named The Hub Group), Mr. Howard was responsible for the development of Health Care Program Management. This division developed many self-insured risk management programs for large public and private sector groups.

In 2001, CanaRx was founded by five partners consisting of; two doctors, a pharmacist, and two health benefits professionals. Mr. Howard took on the leadership role as President & CEO. Mr. Howard is responsible for the corporate guidance, strategic planning and sales and marketing of CanaRx Services Inc.
